SPECIFIC COURSE/INSTRUCTOR REQUIREMENTS

A. Materials: A required textbook is available at the SPC Bookstore. The text for this class is entitled "Looking at Movies" by Richard Barsam, Fifth Edition (green colored cover). Handouts and other written materials will be supplied to you as needed. Also bring paper and pens for taking notes. It will be your responsibility to take adequate notes.

B. Attendance Policy: Students are expected to attend all classes in order to be successful in a course. The student may be administratively withdrawn from the course when absences become excessive as defined in the course syllabus.

When an unavoidable reason for class absence arises, the instructor may permit the student to make up work missed. It is the student's responsibility to complete work missed within a reasonable period of time as determined by the instructor. Students are officially enrolled in all courses for which they pay tuition and fees at the time of registration. Should a student, for any reason, delay in reporting to a class after official enrollment, absences will be attributed to the student from the first class meeting.

Students who enroll in a course but have "Never Attended" by the official census date, as reported by the faculty member, will be administratively dropped by the Office of Admissions and Records. A student who does not meet the attendance requirements of a class as stated in the course syllabus and does not officially withdraw from that course by the official census date of the semester, may be administratively withdrawn from that course and receive a grade of "X" or "F" as determined by the instructor. Instructors are responsible for clearly stating their administrative drop policy in the course syllabus, and it is the student's responsibility to be aware of that policy.

It is the student's responsibility to verify administrative drops for excessive absences through MySPC using his or her student online account. If it is determined that a student is awarded financial aid for a class or classes in which the student never attended or participated, the financial aid award will be adjusted in accordance with the classes in which the student did attend/participate and the student will owe any balance resulting from the adjustment.

A student may be dropped after 6 total unexcused absences. For an absence to be excused, you must present a note from your doctor or another instructor on appropriate stationery or letterhead. There will be no exceptions.

C. Classroom Policy: While in class, you are expected to adhere to acceptable behaviors. In the classroom, **no cell phones** will be allowed, unless they are being used to record audio of lectures. Phones should be set to silent and be kept out of sight. Pay attention while short films, video supplements and movies are being presented. Please be respectful of others' learning environment.
