

Quizzes: Quizzes will be given daily (except on the day of an exam or the following day) to assess classroom performance. They will begin at the start of class and last no more than 15 minutes. Questions will come directly from the homework assignments. Quizzes cannot be made up, retaken, or dropped, except at the discretion of the instructor.

Exams: Midterm exams will be given during this course. Questions will be similar to assigned homework problems or quiz questions. *All exams are cumulative.* During exams cell phones, smart-watches (or any other smart device), laptops, and other such objects should be turned *off* and put away. There is no tolerance for violations. *Makeup exams are not given*

Final Exam: The final exam is comprehensive, and a required part of the course. Failure to attend the final exam results in an automatic F. As the final exam is comprehensive, your final exam grade also serves as the lowest possible grade for the course. Find your final exam time based on your section below:

003 Tuesday, December 11, 8 am
004 Tuesday, December 11, 10:15

Extra Credit: Extra credit is offered to students who have shown adequate participation in the course. See the document *Extra Credit Assignments* for details.

Civility in the classroom: Students are expected to assist in maintaining a classroom environment that is conducive to learning. Given that students will be asked to present material as a part of the course, and contribute openly in class, troublesome behavior will not be tolerated. At a minimum, this includes use of cell phones, making offensive remarks, reading newspapers, arriving late, leaving early or engaging in any other form of distraction. Infractions will be dealt with proportionally to the offense, and may include dismissal from that class period (which will count as an absence on your attendance record). Tobacco products are not permitted in the classroom.

Honesty: “Scholastic dishonesty” includes but is not limited to cheating, plagiarism, collusion, falsifying academic records, misrepresenting facts, and any act designed to give unfair academic advantage to the student. Incidents of academic dishonesty will be promptly reported and dealt with.

Student Resources: Students have access to tutoring in M116 on the Levelland campus, or Building 2 (rooms 206 and 208) on the Reese campus. MyMathLab also has many videos and instructional resources, and you can create sample tests and quizzes in the “Study Plan” section.

Sexual Misconduct: By law all faculty members are mandated reporters of any incidents of sexual misconduct. That means that faculty cannot keep information about sexual misconduct confidential if you share that information. Dr. Lynne Cleavinger, the Director of Health & Wellness, can advise you confidentially as can any counselor in the Health & Wellness Center. They can also help you access other resources on campus and in the local community. You can reach Dr. Cleavinger at 716-2563 or lcleavinger@southplainscollege.edu or go by the Health and Wellness Center. You can schedule an appointment with a counselor by calling 716-2529.

Qualified law enforcement officers or those who are otherwise authorized to carry a concealed handgun in the State of Texas are also permitted to do so. Pursuant to Penal Code (PC) 46.035 and South Plains College policy, license holders may not carry a concealed handgun in restricted locations.
